Ref. No. 002/JTL/II/2023

Dear Author

Angela Deviliana S and Prayatni Soewondo

RE: JOURNAL ACCEPTANCE LETTER

We are happy and pleased to inform you that our reviewers has been accepted and recommended your manuscript entitled "**Optimizing Faecal Sludge Treatment Plant (FSTP) Management through Implementation of Scheduled Faecal Sludge Services (SFSS) (Case Study: Suwung FSTP and Kuta District, Bali)**" for publication in the forthcoming issue of Jurnal Teknik Lingkungan (JTL) and will publish in Vol. 29 No.1, April 2023.

Thank you for your contribution to JTL. We look forward to receiving further submissions from you.

Sincerely, Regards

Editor in Chief

Prof. Barti Setiani Muntalif, Ph.D.

Head of Environmental Management Technology Research Group

Faculty of Civil and Environmental Engineering, ITB
